3. PERSONAL DATA TYPES AND PROCESSING PURPOSES

3.1 KeyedIn and the Customer acknowledge that for the purposes of the Data Protection Legislation, the Customer is the Data Controller and KeyedIn is the Data Processor.

- 3.2 The Customer retains control of the Personal Data and remains responsible for its compliance obligations under the applicable Data Protection Legislation, including providing any required notices and obtaining any required consents, and for the processing instructions it gives to KeyedIn.
- 3.3 The Particulars describes the subject matter, duration, nature and purpose of the processing and the Personal Data categories and data subject types in respect of which KeyedIn may process to perform its obligations under the Software as a Service Agreement.
- 3.4 These terms are in addition to, and does not relieve, remove or replace, a party's obligations under the Data Protection Legislation. The parties agree that these terms shall be incorporated into the Software as a Service Agreement.

4. OBLIGATIONS OF THE DATA CONTROLLER

- 4.1 Without prejudice to the generality of clause 3.4, the Customer will ensure that it has appropriate lawful grounds to transfer the Personal Data to KeyedIn to process, and, where required, all appropriate consents and notices are in place to enable the lawful transfer of the Personal Data to KeyedIn for the Term and purposes of these terms.
- 4.2 KeyedIn will not process any special category Personal Data (as defined by Article 9 of the Data Protection Legislation) or Personal Data relating to criminal convictions and offences (as defined by Article 10 of the Data Protection Legislation) and it is the responsibility of the Customer to ensure that no such data is uploaded to the KeyedIn platform.

5. PROCESSING OF DATA

- 5.1 KeyedIn shall, in relation to any Personal Data processed in connection with the performance by KeyedIn of its obligations under the Software as a Service Agreement:
- 5.1.1 process that Personal Data only on the written instructions of the Customer unless KeyedIn is required by the laws of any member of the European Union or by the laws of the European Union applicable to KeyedIn (**Applicable Laws**), to process the Personal Data other than in accordance with the Customer's instructions. Where KeyedIn is relying on Applicable Laws as the basis for processing Personal Data, KeyedIn shall promptly notify the Customer of this before performing the processing required by the Applicable Laws unless those Applicable Laws prohibit KeyedIn from so notifying the Customer;
 - 5.1.2 implement appropriate technical and organisational measures to protect against unauthorised or unlawful processing of Personal Data and against accidental loss or destruction of, or damage to, Personal Data, appropriate to the harm that might result from the unauthorised or unlawful processing or accidental loss, destruction or damage and the nature of the Personal Data to be protected, having regard to the state of the technological development and the cost of implementing any measures;
 - 5.1.3 ensure that all personnel who have access to and/or process Personal Data are obliged to keep the Personal Data confidential;
 - 5.1.4 assist the Customer, at the Customer's cost, in responding to any request from a data subject and in ensuring compliance with its obligations under the Data Protection Legislation with respect to security, breach notifications, impact assessments and consultations with supervisory authorities or regulators;
 - 5.1.5 notify the Customer without undue delay (and in any event within 48 hours) on becoming aware of a Personal Data Breach;

5.1.6 promptly carry out a request from the Customer and in accordance with the Customer's instructions, to amend, transfer or delete any Personal Data necessary to allow the Customer to comply with its responsibilities as a Data Controller, including by, at the Customer's option, securely returning, deleting or destroying the Personal Data once the Software as a Service Agreement has terminated, unless required by Applicable Law to retain that Personal Data.

6. AUDIT

6.1 KeyedIn shall maintain complete and accurate records and information of its processing activities in accordance with Article 30 of the GDPR and shall cooperate with, and provide such information as reasonably requested by the Customer.

6.2 KeyedIn shall make available to the Customer, all information necessary to demonstrate compliance with the obligations laid down in Article 28 of the GDPR, and allow for, and contribute to audits, including inspections where reasonable, conducted by the Customer or another auditor mandated by the Customer. The Customer will reimburse KeyedIn for any time expended for any on-site audit at KeyedIn's then-current professional services rates, which will be made available to the Customer upon request. Before the commencement of any such on-site audit, the Customer and KeyedIn will agree upon the scope, timing, and duration of the audit in addition to the reimbursement rate for which the Customer will be responsible.

6.3 KeyedIn will notify the Customer if it is asked to do something infringing the Data Protection Legislation or other data protection law of the EU or a member state.

7. APPOINTMENT OF SUB-PROCESSORS

7.1 The Customer authorises KeyedIn to appoint third party sub-processors of Personal Data. KeyedIn confirms that it has entered or (as the case may be) will enter with the third party sub-processors a written agreement incorporating terms which are substantially similar to those set out in these terms.

7.2 KeyedIn may appoint different or additional sub-processors from time to time for business and operational purposes subject to the provisions of clause 7.1 and 9.2.

8. STANDARD CLAUSES

8.1 Either party may, at any time on not less than 30 days' notice, revise these terms by replacing them with any applicable controller to processor standard clauses or similar terms forming part of an applicable certification scheme, or approved form of processing arrangement (which shall apply when replaced by attachment to these terms).

9. TRANSFER OUT OF THE EUROPEAN ECONOMIC AREA (EEA)

9.1 As a result of, KeyedIn's group company structure and the appointment of sub-processors in the performance of its obligations under the Software as a Service Agreement, KeyedIn may transfer Personal Data to organisations outside of the EEA.

9.2 When undertaking this transfer, KeyedIn complies with its obligations under the Data Protection Legislation by ensuring that appropriate safeguards are in place with the data importer. At the date of signing these terms, KeyedIn has implemented the following safeguards for transfer of Personal Data out of the EEA:

9.2.1 the Standard Contractual Clauses, in respect of transfers of Personal Data to the Sub-Processors set out in the Particulars; and

9.2.2 the data subject has enforceable rights and effective legal remedies.

10. INDEMNITY

10.1 The Customer shall indemnify, keep indemnified and defend at its own expense KeyedIn and its Affiliates against all costs, claims, damages or expenses incurred by KeyedIn or for which KeyedIn may be liable due to any failure by the Customer or its employees, subcontractors or agents to comply with any of its obligations under these terms or the Data Protection Legislation.

11. TERM AND TERMINATION

11.1 These terms shall commence on the Commencement Date and shall terminate automatically upon the termination or expiry of the Software as a Service Agreement. Where the Software as a Service Agreement is extended, these terms shall automatically extend for any renewal term.

12. EFFECT OF TERMINATION

12.1 In the event of termination of the Software as a Services Agreement, KeyedIn shall:

12.1.1 cease processing the Data;

12.1.2 at the written direction of the Customer, securely return, delete or destroy the Personal Data (save where KeyedIn must keep a copy of the Personal Data under European Union or member state law).

13. PRECEDENCE

13.1 These data processing terms take precedence over any data processing terms and conditions proposed by the Customer.

14. GENERAL

14.1 These terms shall be subject to the following provisions in the Software as a Service Agreement: variation, waiver, severance, assignment, entire agreement, third party rights, notices, no partnership or agency and governing law and jurisdiction.

THIS AGREEMENT has been entered into on the Commencement Date.
