

# Project Manager Survey Results

---

KeyedIn Surveyed 1,500+ Project Managers from PMXPO and Organizational Agility Event  
hosted by Project Management Institute

Results Released September 2018

### QUESTION #1

What's the biggest challenge you face today with your projects?

### QUESTION #2

Are you currently or planning to evaluate a PPM solution?

### QUESTION #3

How big is your PMO?

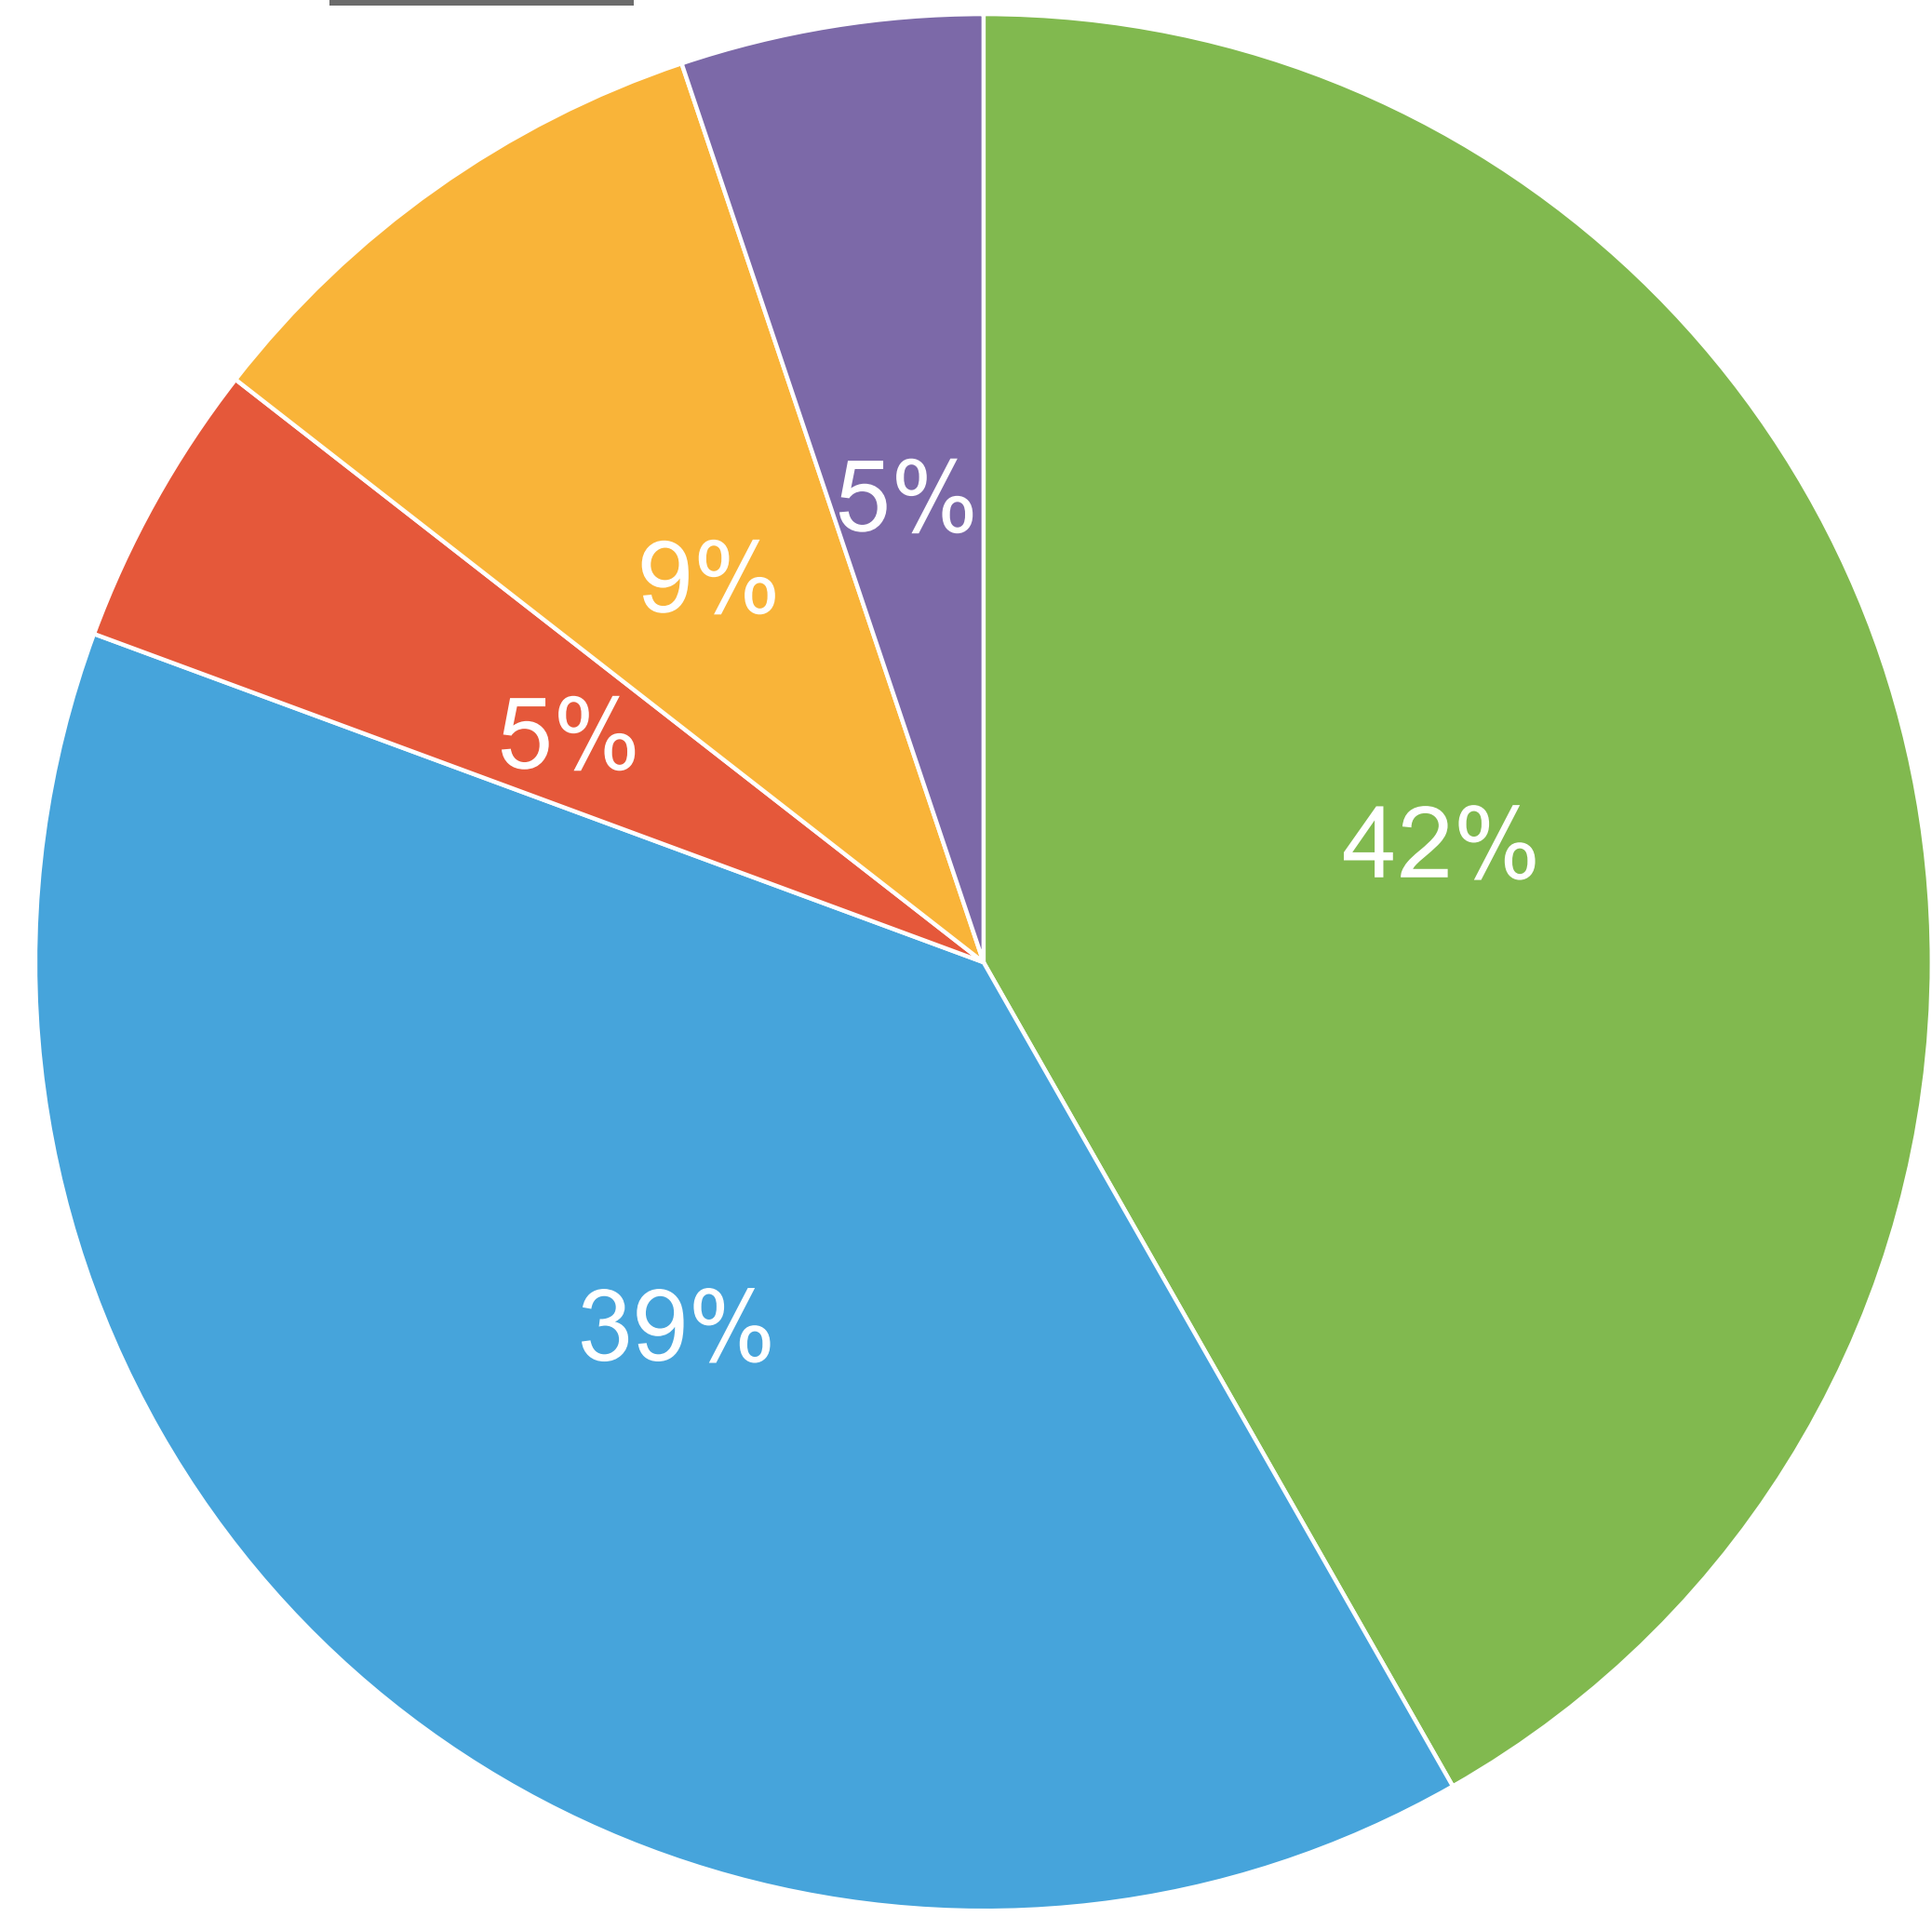

### QUESTION #4

How agile is your organization?

# What's the biggest challenge you face today with your projects?

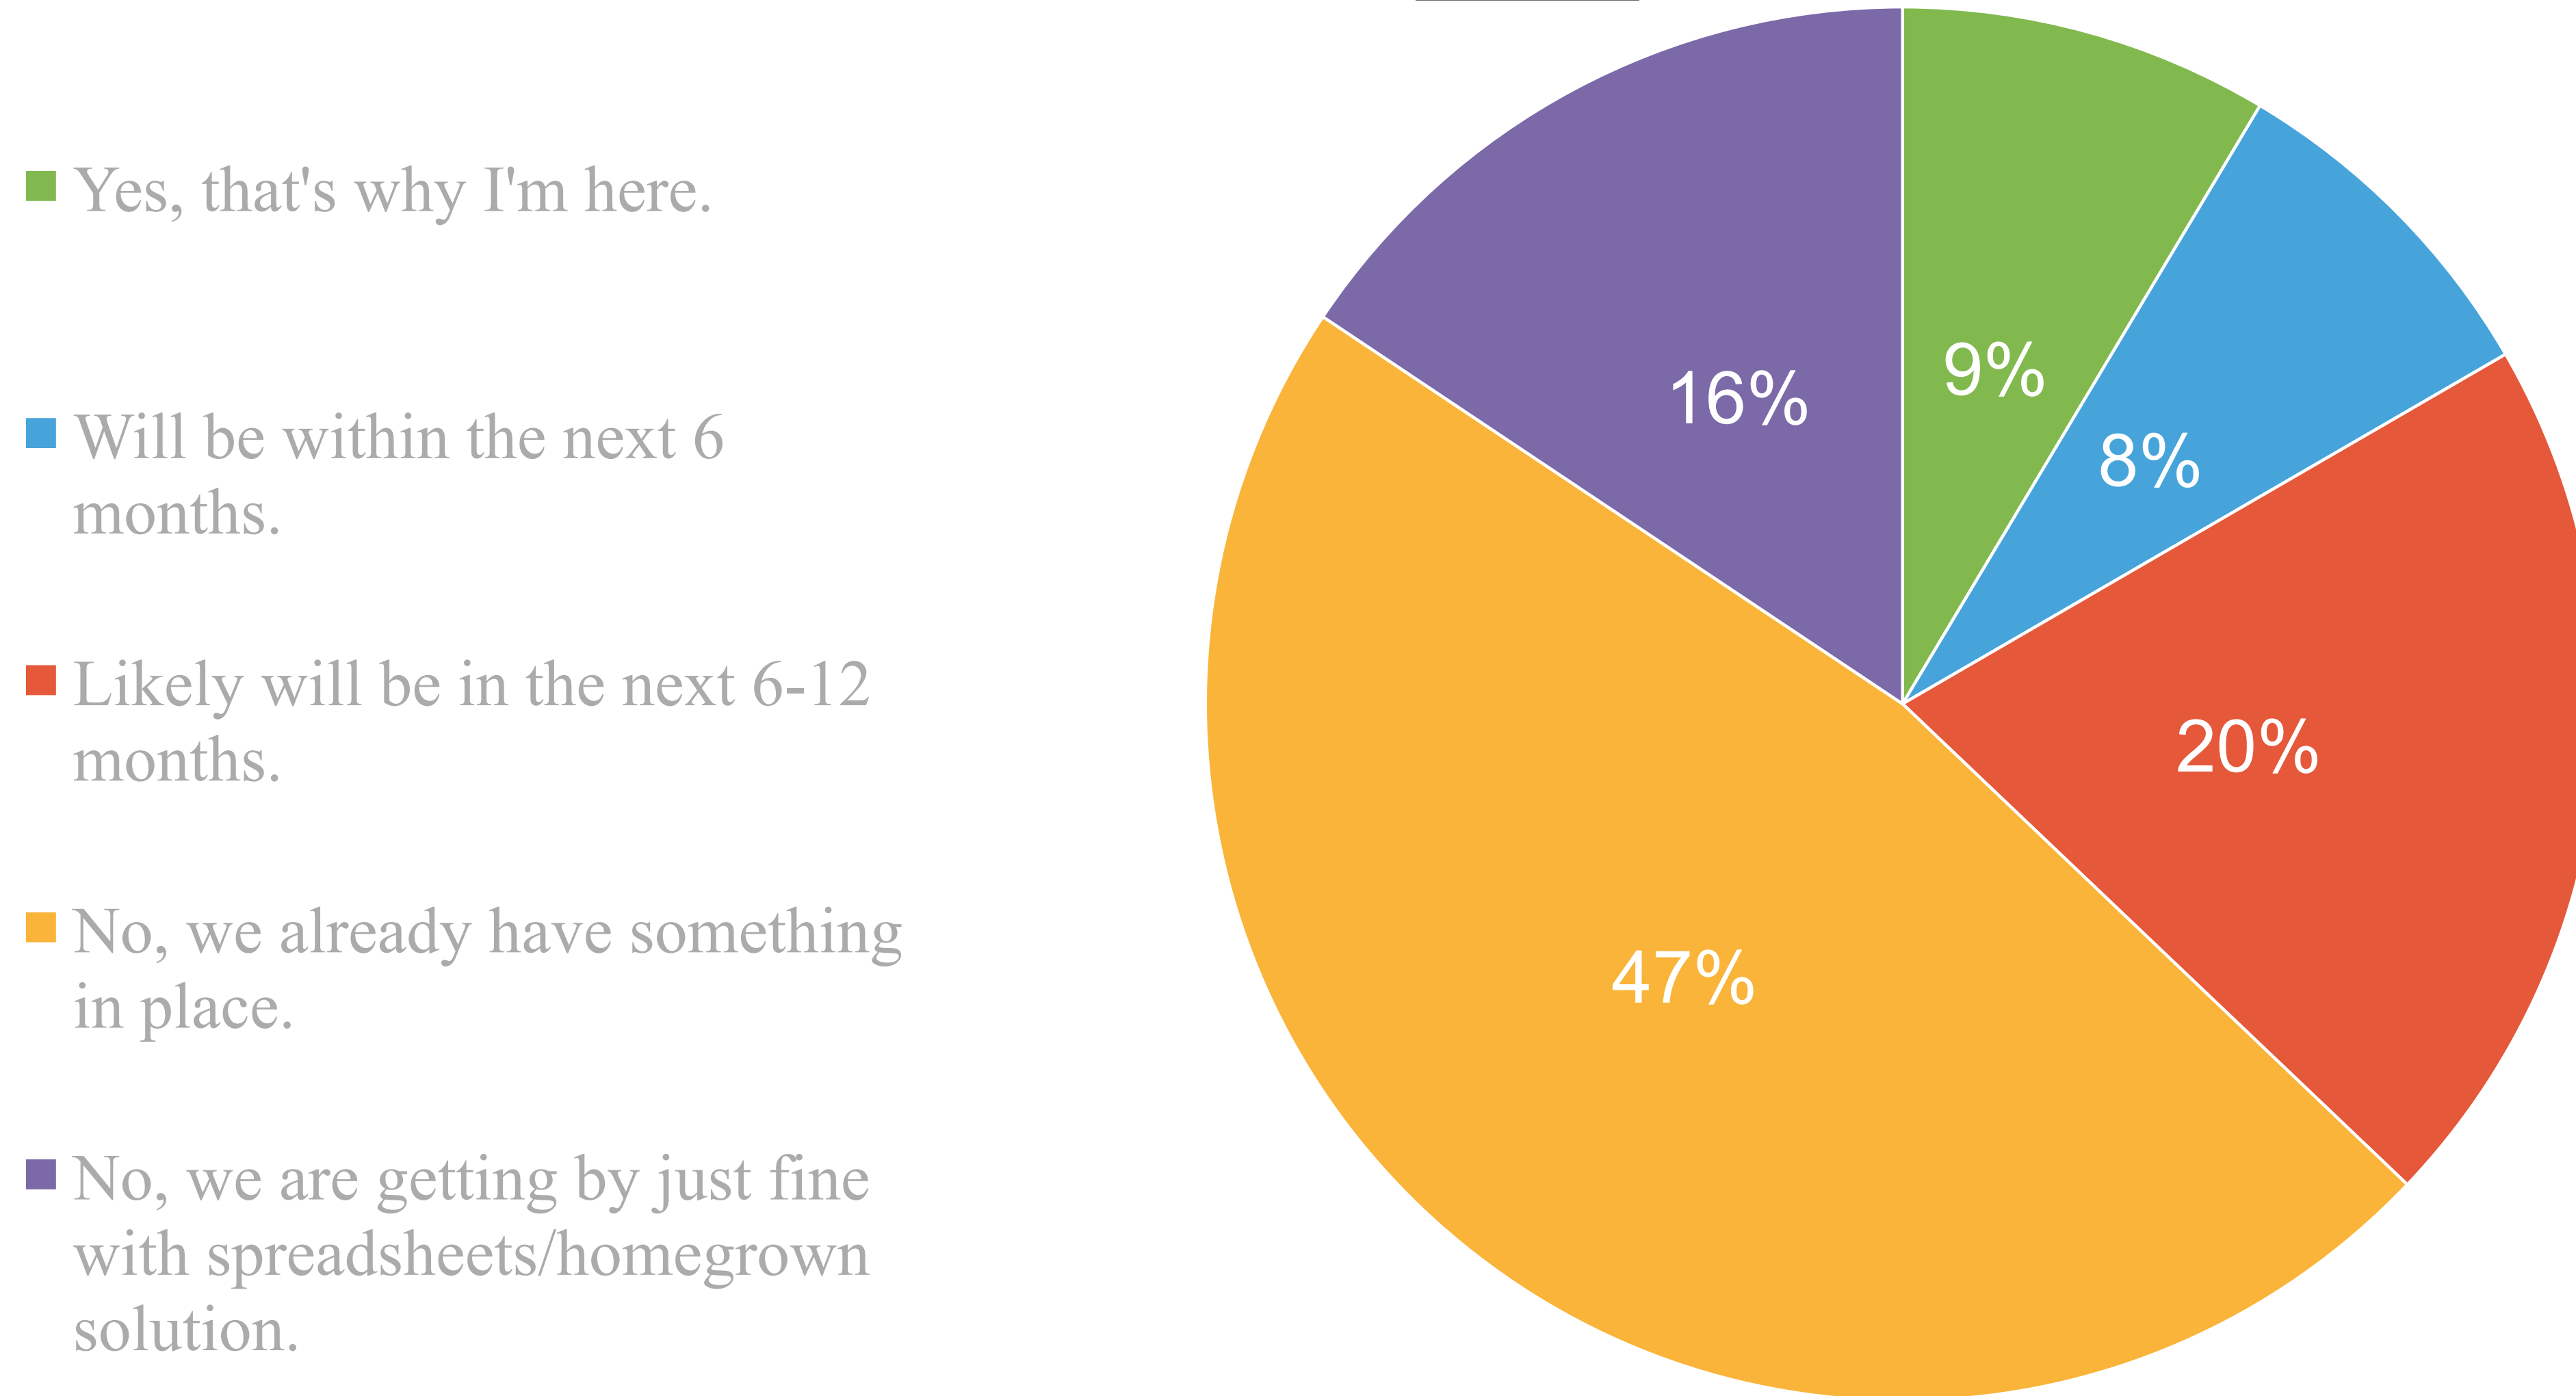

Survey Responses

- Resource management - tracking time, capacity and demand planning, all of it
- Prioritization - we are constantly trying to hit moving targets
- Project financial management - we are always over budget
- Visibility - status reports take forever
- Other - tell us more

# Are you currently or planning to evaluate a PPM solution?

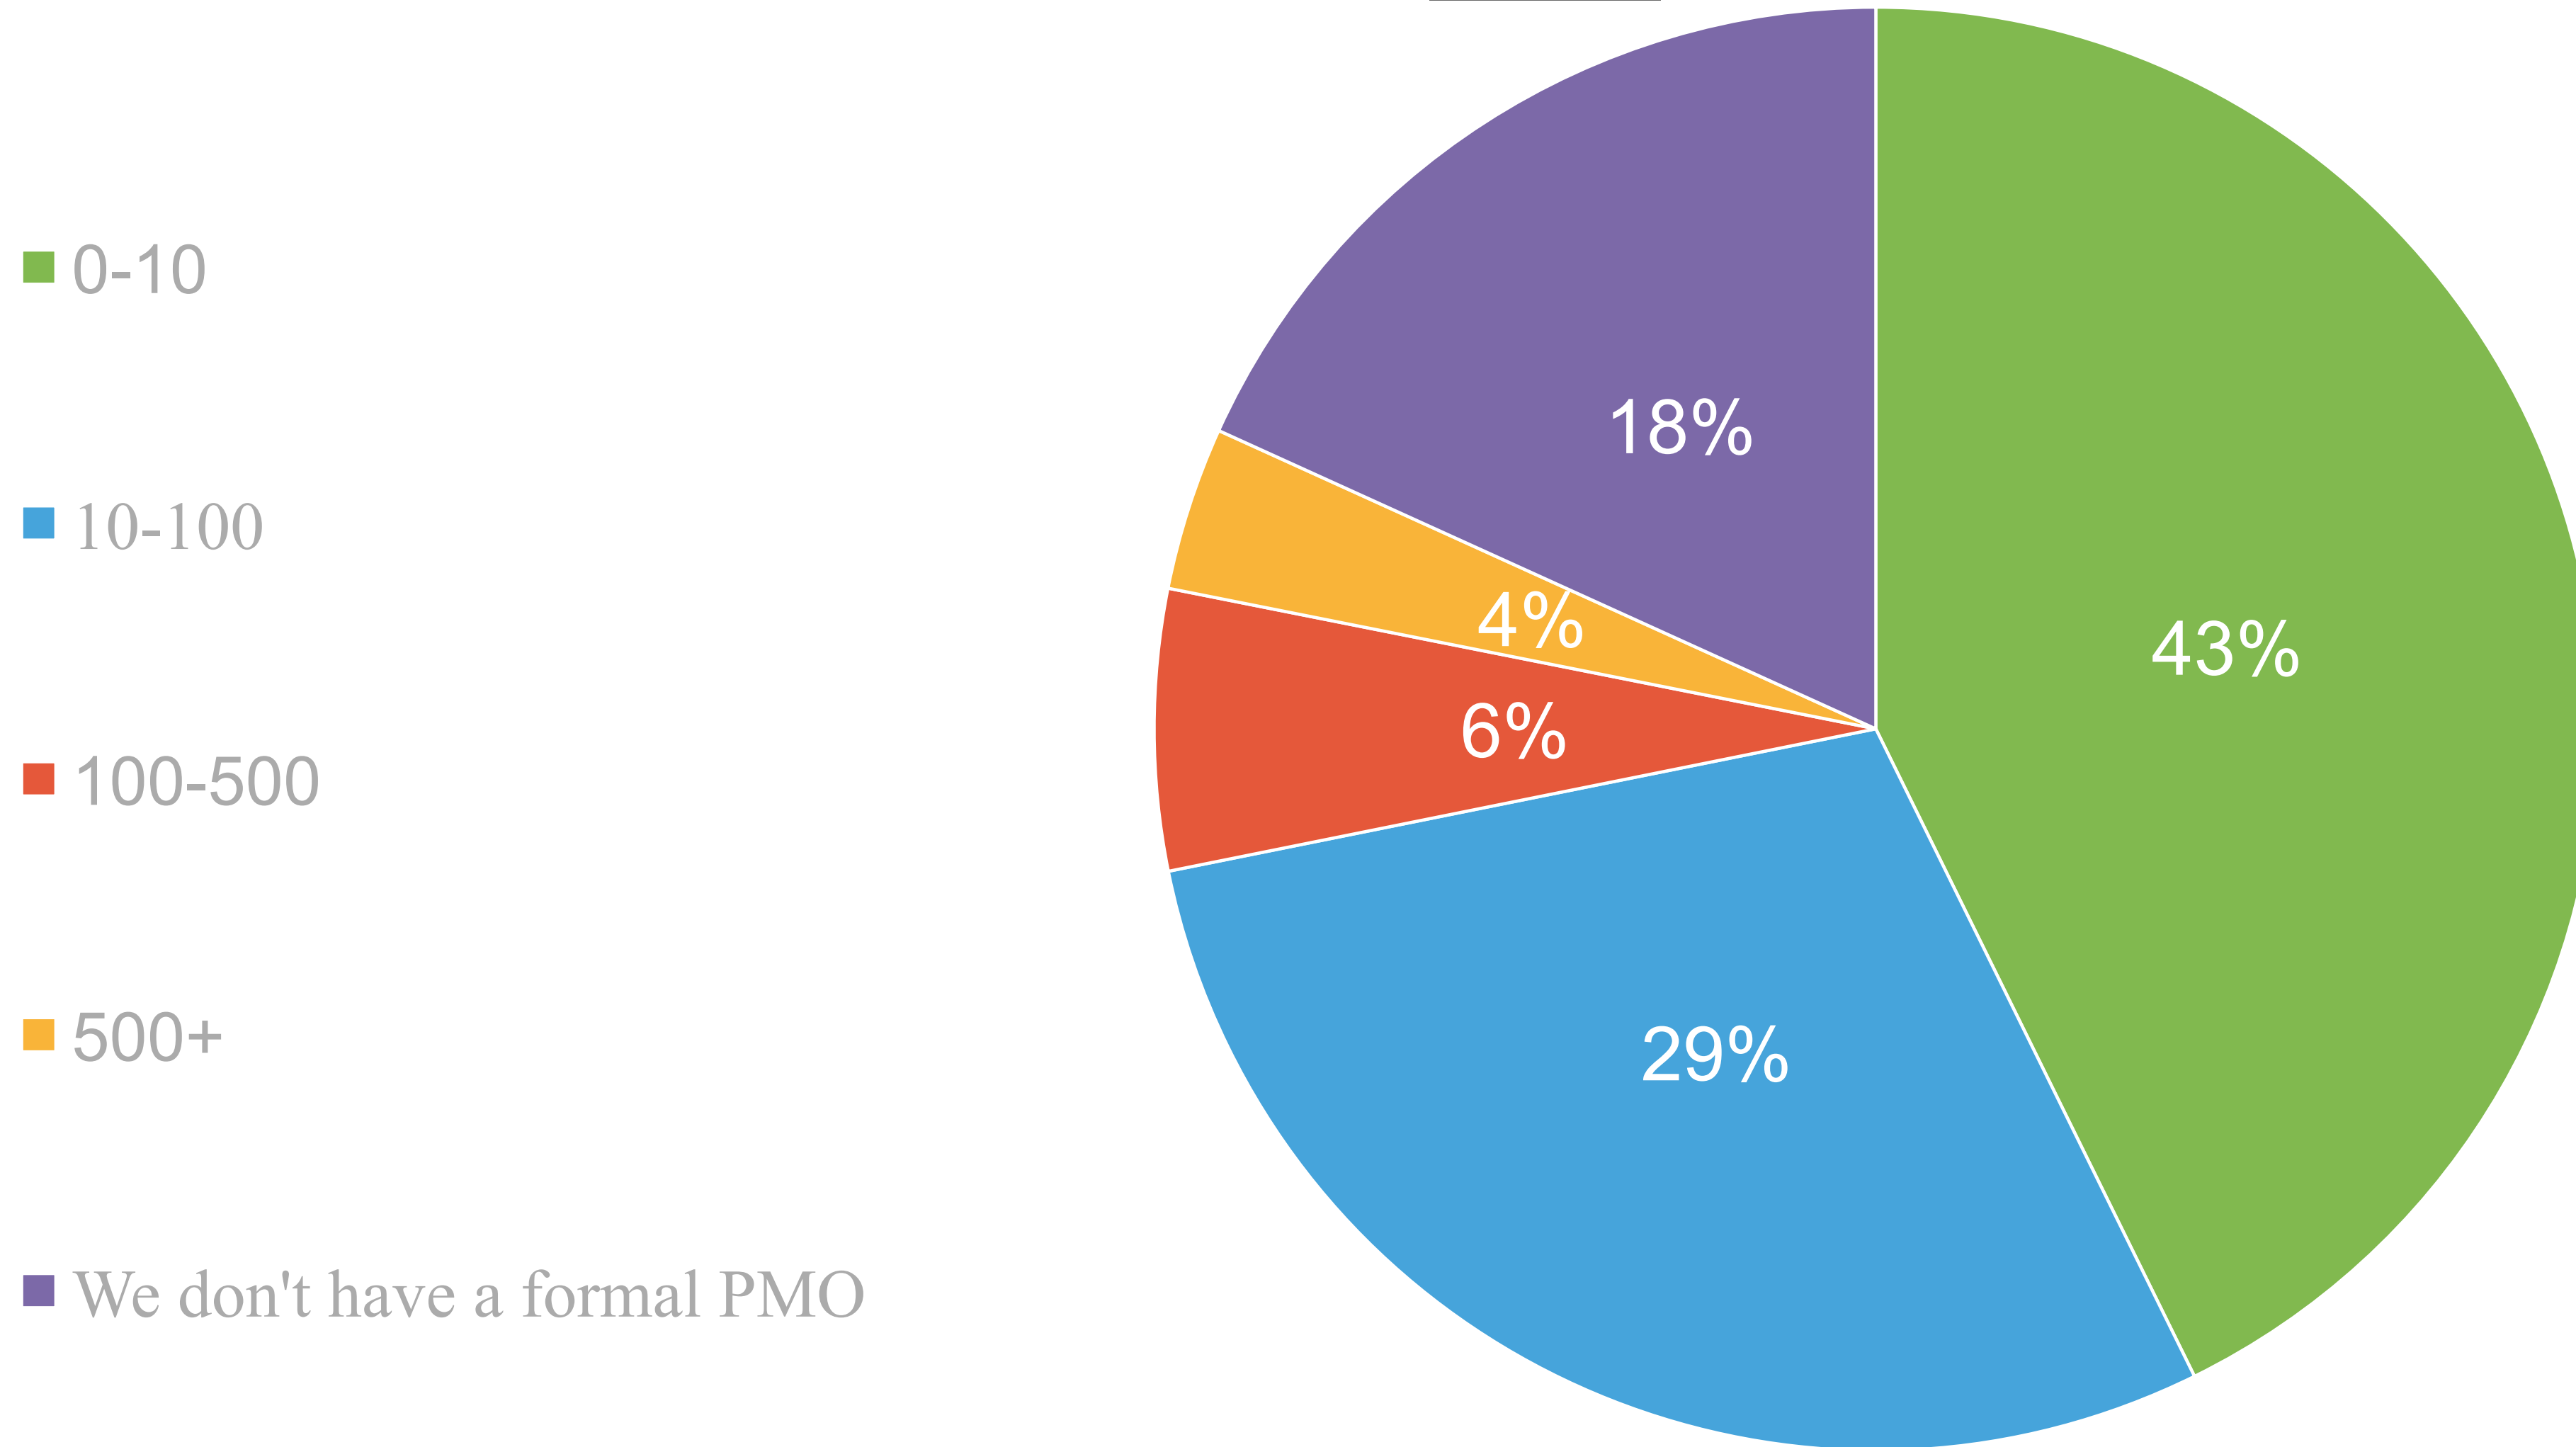

Survey Responses

- Yes, that's why I'm here.
- Will be within the next 6 months.
- Likely will be in the next 6-12 months.
- No, we already have something in place.
- No, we are getting by just fine with spreadsheets/homegrown solution.
